

Live life. You're covered.®

US Able Life's Hospital Plan offers an additional layer of financial protection and pays you to help cover a variety of expenses in the event of a hospital stay. You also gain peace of mind knowing that we're committed to delivering on our promise. US Able Life is committed to processing and paying claims with the greatest care and integrity. You can feel secure that when you buy insurance from us, that's exactly what you'll get. It's our assurance — our pledge — that we will be there when you need us the most.

How it works

For example, you purchase our **Hospital Select Plan** and later suffer an illness that requires an ambulance transport and a two-week hospital stay that includes five days in intensive care. In addition to what major medical insurance pays, US Able Life's Hospital Plan pays:

- **\$750** for hospital admission
- **\$1,125** for 5 days in intensive care
- **\$1,350** for 9 days of hospital confinement
- **\$120** for ambulance transportation

→ **\$3,345** in total cash benefits paid directly to **YOU.**

PRODUCT HIGHLIGHTS

The costs associated with a prolonged hospital stay can be overwhelming if you're unprepared. Bills can pile up quickly and linger for years, leaving a lasting effect on everyone in the household.

- Coverage is available for you, **your spouse**, and **eligible dependents**.
- This plan is **portable** — take it with you even if you leave your place of employment.
- Premiums are **payroll deducted** for your convenience.
- This plan **pays you directly** in addition to what major medical insurance pays.
