

IMPORTANT: This is a fixed indemnity policy, NOT health insurance

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- Visit [HealthCare.gov](https://www.healthcare.gov) online or call 1-800-318-2596 (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website ([naic.org](https://www.naic.org)) under "Insurance Departments."
- If you have this policy through your job, or a family member's job, contact the employer.

How it works

For example, you purchase our **Hospital Select Plan** and later suffer an illness that requires an ambulance transport and a two-week hospital stay that includes five days in intensive care. In addition to what major medical insurance pays, US Able Life's Hospital Plan pays:

- **\$750** for hospital admission
- **\$1,125** for five days in intensive care
- **\$1,350** for nine days of hospital confinement
- **\$120** for ambulance transportation

→ **\$3,345 in total cash benefits paid directly to YOU.**

PRODUCT HIGHLIGHTS

The costs associated with a prolonged hospital stay can be overwhelming if you're unprepared. Bills can pile up quickly and linger for years, leaving a lasting effect on everyone in the household.

- Coverage is available for **you, your spouse, and eligible dependents**
- This plan is **portable** — take it with you even if you leave your place of employment
- Premiums are **payroll deducted** for your convenience
